

Supermarket Science

The course will be led by Primary Science Assessment expert Nicola Beverley
RC125 G02

Start date: Friday 10 May 2019
Duration: 1 Day - 09:30 to 15:30
Location: Launde Primary School
New Street
Oadby
Leicester
LE2 4LJ

Activity fee:
State funded school £175.00+VAT
Fee paying school £225.00+VAT

Outcomes

You will be able to:

- appreciate the importance of engaging children in practical work that enables them to make links to everyday life
- understand what 'working scientifically' means and know what good teaching and learning in primary science looks like
- have a bank of ideas to use with your class

Summary

This practical CPD for primary school teachers will provide you with a bank easy to use ideas that you can take away with you to enable your pupils to conduct experiments and have fun.

Hands-on experience promotes curiosity and engagement and provides opportunities for the discussion and questioning which develop understanding.

All activities within the course have been designed to be affordable for any school budget, with resources easily purchased at your local supermarket.

This course is designed to support the Working Scientifically objectives.
