

Primary Science Network 2019/20

For schools in North West Leicestershire (FWTSA area) RK198 B01

Following on from our previous network programme, STELLAR are once again offering a programme of six one and a half hour twilight meetings led by our Primary Science consultant, Nicola Beverley*.

Science Subject Leader - Network Meetings

All at Forest Way School, Warren Hills Road, Coalville LE67 4UU – 4.00 to 5.30pm

Providing subject leaders with the skills to drive science forward in their schools as well as the opportunity to network with other science leaders:

- | | |
|-------------------------------|-------------|
| 1. Thursday 26 September 2019 | Autumn term |
| 2. Tuesday 28 January 2020 | Spring term |
| 3. Tuesday 21 April 2020 | Summer term |

Teacher / TA / Subject Leader - Workshops

All at Forest Way School, Warren Hills Road, Coalville LE67 4UU – 4.00 to 5.30pm

Designed to improve skills of teachers, teaching assistants and subject leaders as they assess children's progress in science in the classroom.

Each session will highlight key messages and offer practical solutions to assessing learning outcomes - knowing what to look for and what indicates 'subject security' (or 'mastery') at each KS. Common elements will feature in each workshop, but be tailored to the specifics of the age group being taught:

- | | |
|---|-------------|
| 1. Tuesday 12 November 2019 – Upper KS2 | Autumn term |
| 2. Thursday 5 March 2020 – KS1 | Spring term |
| 3. Thursday 4 June 2020 – Lower KS2 | Summer term |

*Nicola is a skilled school improvement professional with over 20 years' experience, she is nationally renowned as a primary science specialist and was a science advisory teacher for several years.

Cost: £175 per school to join the Network

One named delegate will be required to enrol each school, although schools can send alternative or additional delegates to each session. Schools do not need to be a member of FWTSA to join this Network.
